Request for Waiver of Living On Campus

All single students who have earned less than thirty hours of college credit and are enrolled in twelve or more hours at Arkansas State University at Jonesboro are required to live in Arkansas State University's student housing. Living on campus will contribute to the overall success of the student through specialized programming designed to compliment the First Year Experience.

Students may petition to the Office of Residence Life for a waiver of the live-on-campus requirement for the reasons listed below. Please note that all supporting documentation must be attached to this form and forwarded to the Office of Residence Life at least fourteen days prior to the first day of class of the semester for which the waiver is requested. Students who knowingly provide false information will be subject to disciplinary sanctions including assessment of room and board charges for the appropriate semester(s). Release from the on campus requirement must be approved by committee review. If the situation changes after the waiver has been granted the student must notify Residence Life within a week of the changes. Students who have not been released from the live on campus requirement will be assessed room and board charges.
