

"Exhibit and Technology Fair"

Disability Awareness Week 2009

Program Theme: "Recognizing Disabilities...Emphasizing Possibilities: One Step At A Time"

**Dean B. Ellis Library
1st Floor Lobby**

Date: Tuesday, March 17

Time: 9:00a.m.–2:00p.m.
(setup 8:00 a.m.)

The Fair will display state of the art computer technology used for classes, software, equipment, assistive technology as well as services for persons with disabilities provided by organizations in the area.

Participants using the theme will be eligible for a Best of Display award.

Sponsored by: Delta Sigma Omicron
