

E.I.T.C.

or Earned Income Tax Credit, originally approved by Congress in 1975, has become our nation's largest and most important anti-poverty program. Designed for people who earn low-to-moderate incomes, the program can result in a tax refund for those who claim and qualify for the credit.

United Way of Northeast Arkansas has set one *Community Impact Priority* as "*Individuals and families become self-sufficient.*" We are excited to say that we have been given an opportunity to impact positively the income of area residents by hosting our own E.I.T.C. event.

This two-day, blow-out tax preparation event will be
Friday and Saturday, February 5th and 6th
The Mall at Turtle Creek

We are now recruiting volunteer tax preparers.

- Short-term, effective volunteer effort
- No experience needed
- Self-directed, free tax training through IRS' Link and Learn
- No liability, IRS approved, covered by Liability Act of 1973

If you are interested in this unique volunteer opportunity, or would like more information, please contact United Way of Northeast Arkansas.
